## **Job Description**

### **Company Profile:**

Corrective Asphalt Materials (CAM) covers municipalities in a 9-state region. As our customer base grows we are looking to expand our work force.

CAM continues to invest in our equipment, technology and our employees. We are a safety oriented company. We pride ourselves on delivering our customers with efficient and accurate customer service with our relentless problem solving.

We have a position available for the person possessing these types of skills and values. Candidates must be open minded and able to adapt to our evolving process. An individual that not only has the right skills, but believes in our values would be a great addition to our team.

### **Job Description:**

We are seeking an experienced (preferred) Hwy/ Road Construction Truck Driver to move to a management/foreman position. We are wanting to train someone to be our next supervisor to supervise and coordinate activities of workers engaged in setting up traffic control, distributor truck spraying of emulsions onto roadways, sand truck spreading of materials, mobilization and cleanup.

### **Responsibilities:**

- Ensuring the safety of crew members and the general public
- Driving of Distributor or Sand Truck on crew
- Work closely with supervisor
- Organization and cleanliness of equipment/vehicles
- Setup and removal of traffic control equipment
- Hand spraying of emulsions on job site
- Distribution of resident notification
- Respectfully represent the company with customer's offsite personnel.
- Submission of time cards and production reports as required

### **Requirements:**

- Class A (preferred) or B CDL - Class A Will be required to be obtained after employment
- Ability to perform in a fast-paced environment
- Strong knowledge of traffic control regulations preferred
- Proficient use/knowledge of personal laptops and database software
- Ability to keep time and materials records
- Excellent interpersonal and/or supervisory skills and attributes
- Previous Supervisory experience preferred
- Construction background preferred
- Pass drug screen and background check
- Some overnight travel will be required as needed-home on most weekends. Majority of the travel is during the summer/fall months. Be home for major holidays.
- Ability to obtain flagger and OSHA certification

\*The job duties described herein are not exhaustive and may be supplemented.

**Benefits**

CAM offers Health, Dental and Vision insurance, 401k

All qualified applicants will be considered for employment without regard to race, color, age, sex, national origin, religion, mental and/or physical disability, or sexual orientation.
