## ENGINEERING TECHNICIAN

The Macon County Highway Department is accepting resumes for the position of Engineering Technician. Reporting to the Assistant County Engineer, the selected individual will perform plan and specification preparation, construction inspection and documentation, surveying, bridge inspections, departmental mapping, engineering research and reporting and other related tasks. The selected candidate should have a working knowledge of Illinois Department of Transportation specifications and documentation procedures. Minimum requirement of an Associates Degree from a 2-year accredited college. Additional experience in the inspection of roads, bridges, and other public improvements is a plus. Experience in operating survey instruments is highly desirable. Computer applications skills are required.

Hiring range of **\$40,000 to \$45,000 DOQ**. Macon County also includes a comprehensive benefits package for all full-time employees.

Send resume and three professional references to:

Macon County Highway Department  
C/O County Engineer  
2405 N. Woodford St.  
Decatur, IL 62526  
FAX: (217) 424-2516  
[bbird@highway.co.macon.il.us](mailto:bbird@highway.co.macon.il.us)
