

# 2022 Northwest Branch APWA Scholarship Application

For Candidates Pursuing a Degree in Civil, Environmental,  
Structural or Electrical Engineering, Construction  
Administration, or Public Works Related Field

The American Public Works Association is an international educational and professional association of public agencies, private sector companies, and individuals dedicated to providing high quality public works goods and services. APWA is a 501(c)(3) charitable organization, incorporated in the state of Illinois.

Originally chartered in 1937, APWA is the largest and oldest organization of its kind in the world, with headquarters in Kansas City, Missouri, an office in Washington, D.C., and 63 chapters throughout North America. APWA provides a forum in which public works professionals can exchange ideas, improve professional competency, increase the performance of their agencies and companies, and bring important public works-related topics to public attention in local, state and federal arenas.

The association is a highly participatory organization, with hundreds of opportunities for leadership and service, and a network of several dozen national committees in every area of public works. Governed by a 17-member board of directors, elected at both the regional and national levels, APWA is an open, flexible association with a diversified membership of 28,000 and a reputation for quality services and products.

To fulfill our Mission, the Illinois Chapter – Northwest Branch of the American Public Works Association is sponsoring a scholarship program for Candidates Pursuing a Degree in Civil, Environmental, Structural or Electrical Engineering, Construction Administration, or Public Works Related Field

## *CANDIDATE ELIGIBILITY INFORMATION AND INSTRUCTIONS*

### **APPLICATION:**

Application forms are available on the APWA Illinois Chapter web site at <http://illinois.apwa.net/>. Applicants may reapply yearly for scholarship awards, provided a new application is submitted each time.

### **ELIGIBILITY:**

Students who plan to attend an accredited university during the Fall 2022 Semester AND Spring 2023 Semester at the undergraduate or graduate level whose major course of study encompasses the field of Civil or Environmental Engineering or other programs within the public works field are eligible. Students may be part time or full time at community colleges or universities; however, candidates must be seeking a degree. We will only consider providing scholarships toward tuition as well as books, fees, supplies and equipment if required of all students in the course. *Candidates must reside or be employed within the geographic boundaries of the Northwest Branch of the APWA Illinois Chapter.* This area includes the entire counties of Winnebago, Boone, Ogle, Stephenson, Lee, Jo Daviess, Whiteside and Carroll Counties- all in Illinois. No other areas will be considered. Active members of the Northwest Branch Scholarship Committee of the APWA Illinois Chapter and their family members may be considered if no other qualified applicants submit and approved by the board.

### **FINANCIAL ASSISTANCE:**
